STEP 1: UNIT / POST SETUP

*(Completed by sponsoring
Units or Posts)*

Purpose:

Set up your Unit/Post in the Camp Wise system so students can apply.

Key points:

- Completed once per application cycle (per year)
- Deadline: February 15, 2026
- Required to receive Unit Access Codes

How to Complete Step 1

1. Visit the [Georgia Girls State website](#)
2. Select Unit/Post Information (top navigation bar)
3. Click [Step 1: Unit/Post Information](#) (left side)
4. Complete and submit the online Unit/Post form

What happens next?

On March 1st, the Unit/Post contact receives an email with:

- A unique Unit Access Code
- Instructions to share with applicants
- Login credentials to track application status
- Application system access details

Pre-Application Process

- After confirming eligibility, the Unit/Post provides the Unit Access Code to the student
- A [Pre-Application Form](#) is available for Unit/Post use
 - Includes website information and space to record the access code
 - Access codes may be shared in person, by email, or by text
 - The Pre-Application Form is for Unit/Post records only and is not submitted

Access Codes & Applicant Support

Each Unit/Post receives unique access codes

- Codes may not be shared between Units or students

After vetting and confirming eligibility:

- Provide the Unit Access Code to the student

Codes can be shared with your student:

- On the Pre-Application Form
- Verbally, by email, or by text

Important Notes

Pre-Application Form is for Unit/Post records only

- It does not need to be submitted

Units/Posts can log in anytime to check application status

- See instructions under “Unit Information” on the website

Application Statuses:

- No Information: The student has not yet entered her Unit Access Code.
- Incomplete: The student has started her application but has not completed all sections.
- Incomplete: The student has completed all application sections, but school verification is missing (email sent).
- Registered: All application sections are complete for both the student and the school.

Student Application Requirements

Students must have a valid Unit Access Code

- Required to move beyond Create Account

Students must:

- Use a non-school email address
- Enter their school's name
- Provide a school official's contact information:
 - Name
 - Email address
 - Phone number

Application Completion & Notifications

Student and parent/guardian sections are completed in the same portal

- Different from prior years

Once both sections are completed:

- Student receives a confirmation email
- Student is notified when the school verifies eligibility
- Sponsoring Unit/Post receives the same notifications

Girls State

STEP 3: SCHOOL VERIFICATION

*(Completed by the
student's high school)*

- After the student and parent/guardian complete the application, the designated high school will receive an email.
- The email will include a [link](#) for the school to complete the Student Verification Form.

Step 4 – Completed Registration

When does this step occur?

- After the student application and school verification are both complete

What happens next?

- The student and Unit/Post receive an email confirming registration
- The email confirms acceptance as a Future Citizen of Georgia Girls State
- Virtual Orientation announced for May (Conducted by Sara)

Student Portal Access & Preparation

The confirmation email includes instructions to log back into the application portal

Inside the portal, students can now access important materials:

- Packing list
- Bill-writing instructions
- Bill templates
- General program information
